CONTENTS

16 FOREWORD Ambassador Oksana Markarova

22 INTRODUCTION David Hume Kennerly

32 ESSAY Andrey Kurkov

36 THE ASSAULT ON UKRAINE

The full-scale invasion of Ukraine in 2022 forever changed the course of history for the nation and the world, seemingly overnight. It is Europe's largest refugee crisis since WWII.

Photographic Essays

68 LADIES WHO STAYED *by* Carol Guzy

In dire situations, there are people who transcend tragedy and refuse to leave their home. The babushkas, an endearing term for "grandmothers," are in a realm of their own.

94 LIFE AMID THE RUINS *by* Justyna Mielnikiewicz

Amid the destruction from a war they neither wanted nor expected, Ukrainians have found the strength to continue their lives as they remove the debris of war and live surrounded by destruction.

114 CHILDREN ON WAR'S PLAYGROUND *by* Svet Jacqueline

Children are defenseless against the profound impact of war. Their only relief is in play, a stolen moment of freedom for a child forced to leave all they know behind.

136 RITES OF PASSAGE *by* Paula Bronstein

According to Orthodox belief, the soul stays near the body for three days after death. In preparation for life's final passage, Ukrainians grieve and say goodbye alongside an open casket for three sacred days.

160 A STRUGGLE TO SURVIVE *by* Lynsey Addario

War upends the familiar and destroys lives, but the Ukrainians continue to defend their homeland, undaunted by the uncertainty of their lives.

180 THE FIGHT CONTINUES

The Russian strategy to invade and quickly depose the democratically elected government failed as the Ukrainian military defied expectations. With the help of free nations, Ukraine fights on.
