Fifty Years of Women in Mathematics

Reminiscences, History, and Visions for the
Future of AWM

 Springer

Contents

AWM Through the Decades: A Chronology of the First Fifty Years	1
Janet L. Beery, Sarah J. Greenwald, and Cathy Kessel	
Part I How AWM Began	
When I Awoke: Reflections from AWM's First President	15
Mary Gray	
Mathematicians Action Group and the Founding of AWM	25
Chandler Davis	
A Caucus Is Born: Women in Mathematics Find a Formula for Solidarity	31
Joanne Darken	
Part II How It Was, How Should It Be? Inclusion, Diversity, Equal Opportunity	
How It Was.....	37
Judith Roitman	
My AWM Experience: A Lesson on The Relentless Pursuit of Inclusion.....	41
Elebeoba E. May	
Reflection on Diversity from a Former National Science Foundation Program Officer.....	47
Lloyd Douglas	
Mathematicians for Equal Opportunity	49
Alice Silverberg	

Part III How AWM Grew: Membership, Meetings, and the Newsletter

How AWM Changed My Life	57
Judy Green	
Starting and Early Days of AWM	67
Patricia Clark Kenschaft	
A Brief History of the Association for Women in Mathematics: The Presidents' Perspectives (The First Twenty Years)	71
Lenore Blum	
Reflections from AWM's Fourth President	113
Judith Roitman	
This and That: My Times as <i>AWM Newsletter</i> Editor	117
Anne Leggett	
Reminiscences: 30 Years as AWM Meetings Coordinator	127
Bettye Anne Busbee Case	

Part IV Organizing AWM Workshops, Panels, Regional Meetings, Research Networks, and Research Symposia

Trying to Make the Math World a Better Place	161
Sue Geller	
Intertwining Paths: AWM, AMS, and Me	171
Catherine A. Roberts	
Seeking Advice Through the Association for Women in Mathematics ...	177
Christina Sormani	
My Journey Alongside the Association for Women in Mathematics: A Reflection	193
Donatella Danielli	
How AWM Panel Discussions Brought Me to the AWM Community	199
Jacqueline A. Jensen-Vallin	
The Road Less Traveled: My Journey to Mathematics	211
Raegan Higgins	
From Graduate School to Tenure: Building My Career with the Help of the AWM	219
Katharine A. Ott	
Meeting AWM Members Where They Are: Connecting with MAA Sections	227
Betty Mayfield	

Part V Telling Our AWM Stories

Telling Our Stories: The Essay Contest	241
Victoria E. Howle and Heather A. Lewis	

The AWM, 50 Years Ago and Today	271
Joan Birman	

My Personal Interaction with AWM	273
Karen K. Uhlenbeck	

AWM Activity of Fern Y. Hunt	277
Fern Y. Hunt	

Supporting Women in Mathematics and Computer Science	283
Maria M. Klawe	

Personal Reflections: An Evolving Perspective on Women in Mathematics	295
Leslie Hogben	

What AWM Has Meant to Me	301
Susan Landau	

High Hopes: My Career Path from Turkey to Canada to the United States	307
Semra Kılıç-Bahi	

How AWM Can Help Support and Shape a Career: Reflections from a Grateful Mathematician	317
Kathleen Kavanagh	

**Part VI Individuals, Institutions, Recognition, Collaboration:
Longitudinal Perspectives on Mathematics and Women
in Mathematics**

Mathematical Institutions and the “In” of the Association for Women in Mathematics	325
Michael J. Barany	

Alice Turner Schafer: Changing Expectations for Women in Mathematics	343
Jemma Lorenat	

Women as Data and as Individuals: Public Dialogues on Sexism in Mathematics During the 1970s, 1980s, and 1990s	355
Laura E. Turner	

Snapshots of AWM’s Alice T. Schafer Prize Winners	389
Joseph A. Gallian	

Gender and the Cultural Construction of Individualism and Collaboration in Mathematics	405
Sara N. Hottinger	
Part VII Reflecting on Fifty Years of Women in Mathematics	
Has There Been Progress for Academic Women Since Title IX?: Degrees, Rank, and Salary	427
L. Billard	
Welcome to What?: A Personal Essay	439
Marjorie Senechal	
Reminiscences, Anecdotes, and Reflections	449
Judith V. Grabiner	
Snapshots of Five Decades: My Career, Women in Mathematics Departments, and AWM.....	459
Tina H. Straley	
Women and Mathematics: A Perfect Combination	485
Eileen L. Poiani	
Part VIII Outreach, Inreach, and Mentoring: Grade School to Grad School	
Women Count! A Quarter Century of Sonia Kovalevsky Days	495
Betsy Yanik	
Twenty Years of the AWM Mentor Network	501
Anna Ghazaryan, Rachel Kuske, and Emille Lawrence	
The SummerMath and SEARCH Programs 1982–2009, Mount Holyoke College	507
Charlene Morrow and James Morrow	
Mentoring and Providing Community for Young Women	525
Deanna Haunsperger	
Advisor Actions: Reach Out, Listen, Provide Timely Information—Advisee Reactions: Overwhelmed, Informed, More Confident and Connected	531
William Yslas Vélez and Alex Julia Hinojosa Christensen	
Mentoring and Empowering with (Sometimes) Distressing Mathematics	545
Helen G. Grundman	

A Few Memories and Insights from a 50-Year Career	559
Naomi Jochnowitz	
Celebrating AWM's Fiftieth Anniversary: Mentoring PhD Students	565
Chi-Wang Shu	
 Part IX Education and AWM	
The Story of the Education Column in the <i>AWM Newsletter</i>	571
Jacqueline M. Dewar	
The Improbable Member of AWM Who Stuck Around for a Few Decades	585
Erica Dakin Voolich	
The AWM (Mathematics) Education Committee	599
Pao-sheng Hsu and Jacqueline M. Dewar	
 Part X AWM in Her Teens: Perspectives from Presidents and an Executive Director	
Reflections of AWM's Fifth President	627
Bhama Srinivasan	
Reflections from the Sixth President: AWM's Past, Present, and Future	631
Linda Rothschild	
Reflections of AWM's Seventh President on AWM in the Mid-1980s	637
Linda Keen	
My AWM Presidency: Reflections from AWM's Eighth President	641
Rhonda Hughes	
AWM's Executive Director 1987–1988: Growing Up with AWM	647
Lori Kenschaft	
 Part XI AWM in Her Twenties: Perspectives from Presidents	
Into the Nineties: Reflections from AWM's Ninth President	657
Jill P. Mesirov	
1991–1992 Plus and Minus ϵ: Reflections from AWM's Tenth President	667
Carol Wood	
Reflections of Chuu-Lian Terng, AWM's Twelfth President	673
Chuu-Lian Terng	
Musings on Being AWM's Thirteenth President	679
Sylvia Wiegand	

Part XII AWM in Her Thirties: Perspectives from Presidents and Executive Directors

A Blast from the Past and a Hope for the Future: Reflections from AWM's Fourteenth President	703
Jean E. Taylor	
Connections with My AWM Family: Reflections from AWM's Fifteenth President	709
Suzanne Lenhart	
Progress and Hope: Reflections from AWM's Sixteenth President	713
Carolyn Gordon	
Interesting Times: Reflections of AWM's Seventeenth President	721
Barbara Lee Keyfitz	
Reminiscences and Reflections of AWM's Eighteenth President	739
Cathy Kessel	
The Evolution of the AWM Executive Director Position: 2005–2020	759
Maeve Lewis McCarthy, Karoline Pershell, and Jennifer J. Quinn	

Part XIII AWM in Her Forties: Perspectives from Presidents and an Executive Director

Reflections of AWM's Nineteenth President	777
Georgia Benkart	
A Personal Reflection by AWM's 21st President	785
Ruth Charney	
AWM and the Genius of Women: Reflections by AWM's 22nd President	789
Kristin Lauter	
AWM in Her Forties: Reflections on the Inner Workings of a Mostly All-volunteer Organization by AWM's Executive Director, 2011–2018	817
Magnhild Lien	

Part XIV Advocacy, Policy, and Recognition: In Government and in the Mathematical Community

A Mathematician's Adventures in Advocacy and Policy	845
Karen Saxe	
AWM Hill Days: Advocacy for Introverts	855
Michelle B. Snider	

The Crucial Work of the AWM Policy and Advocacy Committee	865
Gail Letzter and Marie A. Vitulli	
Recognition for Professional Achievement: AWM and the AWIS AWARDS Project	901
Betty Mayfield	
 Part XV AWM Student Chapters	
University of Oregon AWM Chapter: Its Creation and Evolution	921
Elisa Bellah, Sarah Frei, Leanne Merrill, and Kelly Pohland	
Building Community Through the University of North Carolina at Chapel Hill Student Chapter	929
Francesca Bernardi	
The Florida Atlantic University Student Chapter of AWM: Fundraising and Sustainability	933
Catherine Berrouët, Anae Myers, Angela Robinson, and Yuan Wang	
Journey of the University of Houston AWM Student Chapter: From a Bake Sale to an Award-Winning Regional Conference	943
Jasmine Bhullar, Prajakta Bedekar, and Yuliya Gorb	
Society for Women in Mathematics at the Colorado School of Mines: Professional Development Programming	949
Debra Carney, Karin Leiderman, and Rebecca Swanson	
Looking Within and Reaching Out: Outreach, Friendship, and Community in the University of Illinois at Urbana-Champaign AWM Student Chapter	959
Grace Jaffe and Mina Nahvi	
The AWM at the University of Kentucky: Community and Community Outreach	963
Kate Ponto, Kalila Sawyer, and Carissa Slone	
My Unspoken Mathematical Journey	967
Julianne Vega	
 Part XVI National and International Groups That Support Women in Mathematics	
AWM in Context: Comparing the Histories of Professional Societies for Women in STEM	975
Amy Ackerberg-Hastings	
European Women in Mathematics and the European Mathematical Society's Women in Mathematics Committee	987
Marie-Françoise Roy and Caroline Series	

Korean Women in Mathematical Sciences	1007
Soon-Yi Kang and Kyewon Koh Park	
Indian Women and Mathematics	1015
Nikita Agarwal, Amber Habib, and Geetha Venkataraman	
Women in Mathematics Special Interest Group of the Australian Mathematical Society	1029
Cheryl E. Praeger and Lesley A. Ward	
The African Women in Mathematics Association	1051
Marie Françoise Ouedraogo	
Women of Nepal in Mathematical Sciences: An Overview	1065
Dhana Thapa and Anjana Pokharel	
Now That We're Together: Biography of the Chilean Collective of Women Mathematicians and Overview of Latin American Organizations for Women in Mathematics	1079
María Isabel Cortez and Andrea Vera-Gajardo	
International Initiatives for Women Mathematicians	1095
Marie-Françoise Roy and Caroline Series	
Part XVII AWM at Fifty	
No Ordinary Time: Reflections from AWM's 24th President	1115
Ruth Haas	
Creating A Place: Reflections of the 2021 AWM President-Elect	1121
Kathryn Leonard	
Index	1127
