Maps of Dum Dum and its Environs in the Collection of different Libraries and Archives		56

The maps printed here are not to scale. However, the original scale of the maps has been printed in the Reference page (page no 55). To facilitate reading, some of the place names, legends have been digitally corrected for better legibility. Due to the constant and active presence of a few terms being spelled in different ways in different maps, spellings of text portions are kept intact to keep harmony with the attached maps.—Ed.
