Introduction to Drawing: *A Path to Creativity* 3

Drawing as a Learnable, Teachable Skill 4

Why It Matters 7

Materials and Equipment Needed 8

Drawing with Measurements 11

Shadows and Lights 12

How to Start 13

Unit 1: Morphology of Permanent Incisors 16

General Features of All Permanent Incisors 16

Drawing of Permanent Incisors 16

Differences Between Maxillary and Mandibular Incisors 16

Differences Between Maxillary Central and Lateral Incisors 17

Differences Between Mandibular Central and Lateral Incisors 17

Maxillary Central Incisor 18

Maxillary Lateral Incisor 22

Mandibular Central Incisor 26

Mandibular Lateral Incisor 30

Unit 2: Morphology of Permanent Canines 34

General Features of All Permanent Canines 34

Drawing of Permanent Canines 34

Differences Between Maxillary and Mandibular Canines 34

Maxillary Canine 36

Mandibular Canine 40

Unit 3: Morphology of Permanent Premolars 44

General Features of All Permanent Premolars 44

Drawing of Permanent Premolars 44

Differences Between Maxillary and Mandibular Premolars 44

Differences Between Maxillary First and Second Premolars 45

Differences Between Mandibular First and Second Premolars 45

Maxillary First Premolar 46

Maxillary Second Premolar 50

Mandibular First Premolar 54

Mandibular Second Premolar 58

Unit 4: Morphology of Permanent Molars 62

General Features of All Permanent Molars 62

Drawing of Permanent Molars 62

Differences Between Maxillary and Mandibular Molars 62

Differences Between Maxillary First, Second, and Third Molars 63

Differences Between Mandibular First, Second, and Third Molars 63

Maxillary First Molar 64

Maxillary Second Molar 68

Mandibular First Molar 72

Mandibular Second Molar 76

Freehand Drawing 81

Basic Principles 82

Silver-Coated Teeth Inspirations 89

How to Start 97
