Juvenalia

Juvenalia has been written between 1989 and 1996.

Minor modifications have been made while preparing the first recording with the pianist Vassilissa Dolivo. Other changes have been suggested by the pianist Laurent Audard.

Except for the Nocturne n°2 and the Nocturne n°6 that were edited at a later stage, the remaining *Nocturnes* and the two *Nocturnettes* were entirely performed for the first time during a concert at the piano shop LeClavier in Villeneuve (CH) in March 17th 2018 by Vassilissa Dolivo.

I am grateful to Vassilissa Dolivo who made my work available to the public and wish to thank Olivier Chenevart for designing the cover.
