List of Figures and Tables .....	iii
List of Authors .....	xiii

## Introduction

About the beginnings of prehistoric archaeology, studies of stone artifacts and ancient flint mines .....	1
Françoise Bostyn, Jacek Lech and Dagmara H. Werra	

## Part I Key Sites of Prehistoric Flint Mining in Europe

### Chapter 1

The Early Neolithic mine of Defensola and the Gargano Promontory (Italy) .....	19
Attilio Galiberti and Massimo Tarantini	

### Chapter 2

The mining complex at Rijckholt-St. Geertruid (Eijsden-Margraten, Limburg, The Netherlands) .....	59
Marjorie E. Th. de Groot, Jos Deeben*, Jan Willem de Kort and José Schreurs	

### Chapter 3

The Neolithic flint mines of Spiennes (Belgium) .....	103
Hélène Collet and Jean-Philippe Collin	

### Chapter 4

Grime's Graves (Norfolk, England) .....	131
Frances Healy, Peter Topping and Gillian Varnell	

## Part II Some other European Flint Mines

### Chapter 5

The flint mine of Casa Montero (Madrid, Spain). Making society in Early Neolithic Europe .....	167
Pedro Díaz-del-Río, Susana Consuegra, Nuria Castañeda, Enrique Capdevila, Marta Capote, Cristina Criado, Cristina Casas and Aurora Nieto	

### Chapter 6

The chocolate flint mine of Tomaszów (Poland) .....	187
Romuald Schild*	

### Chapter 7

Saspów near Cracow (Poland). A Neolithic flint mine of the Danubian communities .....	225
Jacek Lech	

### Chapter 8

Neolithic chert extraction and processing on the southeastern Swabian Alb (Asch-Borgerhau, Germany) .....	269
Lynn E. Fisher, Corina Knipper, Susan K. Harris and Rainer Schreg	

<b>Chapter 9</b>	
The Late Neolithic opencast flint mining and axehead blank production on the Lousberg in Aachen (Germany) .....	285
Daniel Schyle and Jürgen Weiner	
<b>Chapter 10</b>	
The Nagytelevl flint mine (Hungary).....	315
Katalin T. Biró and Judit Regenye	
<b>Chapter 11</b>	
Flintmining at Södra Sallerup (Sweden).....	327
Elisabeth Rudebeck, Anders Höglberg, Deborah Olausson in cooperation with Åsa Berggren	
<b>Chapter 12</b>	
Cissbury and the South Downs flint mines (Sussex, England) .....	341
David Field	
<b>Chapter 13</b>	
The neolithic flint mine at Jablines 'le Haut-Château' (Seine-et-Marne, France).....	357
Françoise Bostyn	
<b>Chapter 14</b>	
The flint mine of Ri-Ronai (Orne, Basse-Normandie, France).....	369
Emmanuel Ghesquière, Cyril Marcigny with the collaboration of François Charraud, David Giazzon, Sébastien Giazzon and Laurent Juhel	
<b>Chapter 15</b>	
The Neolithic quarries at Plancher-les-Mines (Haute-Saône, France), 5th and 4th millennia cal BC .....	387
Pierre Pétrequin	
<b>Chapter 16</b>	
'Les Orlets' and 'Le Grand Bois Marot' at Villemaur-sur-Vanne (Aube, France): face to face in the Pays d'Othe mining complex.....	407
Pierre-Arnaud de Labriffe	
<b>Chapter 17</b>	
Borownia (Poland). A mine of striped flint from the Early Bronze Age.....	423
Jacek Lech	
<b>Chapter 18</b>	
Wierzbica 'Zele' (Poland). A flint mine from the Bronze Age.....	455
Jacek Lech and Dagmara H. Werra	
<b>Index.....</b>	487
Danuta Piotrowska and Wojciech Piotrowski
