LIST OF FIGURES

1.1	The reader's drawing of a scientist	1
1.2	A stereotypical drawing of a scientist (an anonymous student's drawing)	3
1.3	Another drawing of a scientist (an anonymous student's drawing)	19
2.1	Opinions and expectations about scientific endeavors, by movie watching (Cooperative Congressional Election Survey, 2016)	34
2.2	Perceptions of scientists as good, by movie watching (Cooperative Congressional Election Survey, 2016)	39
2.3	Perceptions of scientists as odd and peculiar, by movie watching (Cooperative Congressional Election Survey, 2016)	40
3.1	Perceptions of scientists and scientific work, by overall TV watching (Center for Political Communication Survey, 2016)	56
3.2	Perceptions of scientists and scientific work, by science fiction TV watching (Center for Political Communication Survey, 2016)	59
3.3	Perceptions of gender ratios in scientific fields, by entertainment TV watching (Cooperative Congressional Election Survey, 2016)	63
3.4	Stereotypes of scientists, by <i>Big Bang Theory</i> watching condition (<i>The Big Bang Theory</i> experiment, 2017)	69
4.1	Perceptions of scientists and scientific work, by <i>MythBusters</i> watching (Cooperative Congressional Election Survey, 2016)	89
4.2	Perceptions of scientists and scientific work, by <i>Cosmos</i> and <i>NOVA</i> watching (Cooperative Congressional Election Survey, 2016)	90
5.1	Beliefs about global warming, by news media use (Cooperative Congressional Election Survey, 2016)	106
5.2	Beliefs about evolution, by news media use (Cooperative Congressional Election Survey, 2016)	111
5.3	Beliefs about GMO foods, by news media use (Cooperative Congressional Election Survey, 2016)	114
5.4	Beliefs about vaccines, by news media use (Cooperative Congressional Election Survey, 2016)	118

6.1	Science beliefs, by late-night comedy show watching (Cooperative Congressional Election Survey, 2016)	133
6.2	Perceptions of late-night hosts' beliefs about global warming (<i>Daily Show/Colbert Report</i> experiment, 2013)	136
6.3	Beliefs about global warming, by <i>Last Week Tonight</i> watching condition (<i>Last Week Tonight</i> experiment, 2014)	139
7.1	Perceptions of and opinions about science, by Facebook viewing condition (Center for Political Communication Survey, 2020)	153
7.2	Perceptions of sexism in science, by <i>Brain Scoop</i> watching condition (<i>The Brain Scoop</i> Experiment, 2015)	163
8.1	Perceptions of DNA, by crime TV watching (Institute for Survey and Policy Research at the University of Wisconsin-Milwaukee, 2007)	182
8.2	Perceptions of DNA, by overall TV watching (Institute for Survey and Policy Research at the University of Wisconsin-Milwaukee, 2007)	183
8.3	Perceptions of forensic science, by entertainment TV watching (Cooperative Congressional Election Survey, 2016)	187
8.4	Perceptions of forensic science, by TV news watching (Cooperative Congressional Election Survey, 2016)	188
9.1	Beliefs about paranormal phenomena, by paranormal reality TV watching (Cooperative Congressional Election Survey, 2018)	201
9.2	Beliefs about paranormal phenomena, by overall TV watching (Cooperative Congressional Election Survey, 2018)	202
9.3	Beliefs about haunted houses and paranormal investigators, by news story condition (Paranormal news experiment, 2011)	205
9.4	Beliefs about ESP and ESP researchers, by news story condition (ESP news experiment, 2012)	208
10.1	Perceptions of scientists as good, by educational TV watching (Cooperative Congressional Election Survey, 2018)	220
10.2	Perceptions of scientists as odd and peculiar, by educational TV watching (Cooperative Congressional Election Survey, 2018)	221
10.3	Perceptions of scientists as working alone, by educational TV watching (Cooperative Congressional Election Survey, 2018)	222
10.4	Perceptions of scientists, by <i>Phineas and Ferb</i> watching condition (<i>Phineas and Ferb</i> Experiment, 2019)	227
